

KLEY 1130

HIGHWAY 81 SOUTH
WELLINGTON, KANSAS
67152

Dear Sir:

Sorry about taking so long to answer the letter. Your reports check with our program log and is an excellent report.

I work only 20 hrs a week at station since Feb. 1974 and is spent on maintenance.

My apologies for being late. also your letter of ~~June~~ is the first time I have heard from you. your first letter must have been lost in mail.

Sincerely,
Lark Krejels C.E.
