TO: Ernest J. Wesolowski FROM: Bob Davis

DATE: 7 Feb 68

SUBJECT: Reception report

This confirms your reception of KOFO on 5 February, 1968. Nearly all letters received mention the interference from HJKR and XEB. I even got a tape of it from a studio engineer at WCBS! That 2 to 3 ayem slot was really the most popular program I've run in some years. Thanks for the report.
