Dear Ernest:

I am glad to verify your reception of signals from 1420-Radio KULY, Ulysses, Kansas, on Wednesday morning, March 15, 1972, from 1:45 to 2:00 A.M. CST. Your log is correct in detail on our test signal at that time.

I realize that some people are not very co-operative in verifying logging of their signals, but I have always made a practice of not being that impolite.

I asked a Mexican friend here, Abel Ortiz, who formerly worked at KEDD, Dodge City, and he suggested you try addressing your next letter to Manager Jim Hughes there.

Try writing Gaylon Pankratz at ~~###~~, KANS, Larned, and tell him I request he send you verification. I know them by telephone. I have also met Hillis Bell, Jr., in person. He is the manager.

Best of regards to you and yours,

Tex Smith
