Dear Mr. Wesolowski:

Thank you for writing to let us know you were able to listen to WREN from 12:30-12:48pm, CST, on Thursday, January 21, 1960. I have checked your report with our program log for this date and find they are in agreement.

Our studios are located at 1001 Fillmore, and the location of the transmitter is at Grantville, Kansas, approximately 15 miles east of Topeka. We have four towers, and operate 24 hours a day, seven days a week.

We hope you will be able to tune in often, and that you will enjoy our programming efforts. Please stop in to see us anytime you're in the vicinity.

Thanks again for writing.
