Dear Mr. Wesolowski:

This is to verify your reception of W F I A Radio on last August 16, 1973, beginning with our sign-on at 6:00 am, Eastern Daylight Time. We are sorry that your 1st letter was misplaced.

Radio Station W F I A operates on the assigned frequency of 900 Khz., with a power of 1000 watts, from Studios located in downtown Louisville, Kentucky. We operate from a single tower, non-directional, daytime only.

Thank you so very much for your interest in W F I A Radio and hope you may hear us again in the future.

Sincerely:

A handwritten signature in blue ink that reads "Russell Manslip". The signature is written in a cursive style with a horizontal line underneath the name.
