Dear Sir:

This letter is to confirm your reception of our station on Saturday, March 12, 1977. Indeed station WFSR in Harlan Ky. was on the air from 4:28 EST till 4:33 EST for the purpose of frequency measurement. We do conduct these tests the second Saturday of each month. If you could not copy our station ID, I'm truly surprised you found out exactly which station it was. We are always pleased to verify these reception reports. If any additional information is needed, feel free to contact us.

THANK YOU,

Tracy Turner

P.S. Please excuse the typing, as I don't do very much of it.
