Dear Earnest,

Just a note to verify that you did pick us up on March 8, 1975 at 4:45 AM Central Daylight Time.

Sorry about the ID's. I'll pass the word along to the guy who does the frequency tests.

I'm enclosing a small coverage map as you requested. We reach out a little better than is indicated on the map due to our good location.

Happy listening!

Very truly yours,

Jay Wilson
