Dear Ernest:

We are pleased to verify your reception of WHBN on November 3, 1975, from 6:02 A.M. to 6:04 A.M. E.S.T.

After checking the files, I found that another DXer in Omaha, Rolland L. Lindblade, was verified on a test broadcast WHBN ran on December 2, 1974. That was with full power of 1,000 watts.

Your reception was with pre-sunrise power of 500 watts.

Enclosed is a coverage map with rate card.

Sincerely,

Tom Devine
