Dear Sir:

Thank you for your fb report on reception of our AM signal during our monthly frequency check Saturday, December 11, 1976, at 12:30 to 12:45 a.m.

I have been following KOIL's troubles in "Broadcasting" magazine. I am not sure what caused their debacle, but we all have plenty rough problems at renewal time, every three years.

Sometimes it seems "everyman's hand is against us" - (and the women, too).

Anyhow, thanks again, and good luck to you

Clovis L. Bailey, Pres., C.E., MGR.,  
and Bill Bailey, Assistant.
