Ernest Wesolowski —

Many thanks for your letter reporting reception of KMAR — your report is very good + is true + accurate. Our check was made at 4:30 AM March 8, 1962. Our studio + xmtr are both located about 2 1/2 miles out from Winnsboro. We are currently making up new coverage maps since going to 1 kw — Will send you one as soon as completed. Our freq chks are made out of Kansas City —

I notice the "monster" is back on, + in English, too —

Again, thanks for the report —

Pete Bradford
