Dear Mr. Wesolowski;

Thank you for your reception report of KSYL. This is to verify your reception of KSYL on the morning of April 24th, 1972 during our regular programming and during our monthly frequency check.

By the way, it was my voice you heard at the beginning of the x report doing the news and signing off regular programming.

If you are ever in the Central La. area, stop by and say hello.

Very truly yours,

Tom Gates,
Staff announcer, asst. en-
gineer, and other odd assorted
things.
