Mr. Ernest J. Wesolowski,  
1416 Pasadena Avenue,  
Omaha 7, Nebraska,  
U. S. A.

Thank you for your advice of reception of CKY  
on Sunday, October 14, 1962.

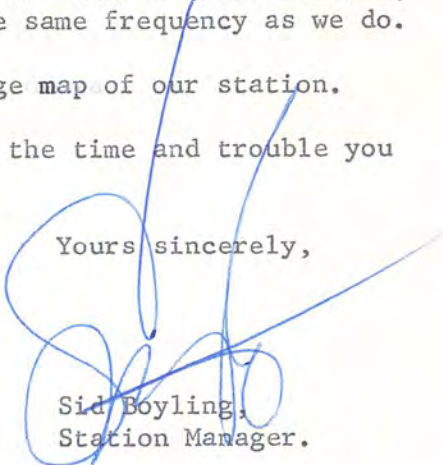

This will confirm your reception of our station  
from 12:55 A.M. to 1:08 A.M., Central Standard  
Time on 580 Kcs.

While I am only guessing, I would assume that  
the unknown station in the Mountain Time Zone  
that was giving interference could have been  
CKUA, the University of Alberta radio station,  
which operates on the same frequency as we do.

Enclosed is a coverage map of our station.

Again, thank you for the time and trouble you  
took to write us.

Yours sincerely,

  
Sid Boyling,  
Station Manager.
