Dear Mr. Wesolowski,

This will verify your reception of WATC on Saturday,
February 7, 1976.

You heard a portion of our regularly scheduled frequency
and equipment test program. This test is conducted at 1:00AM
Eastern Time the first Saturday of every month.

We operate a 1000 Watt RCA transmitter with a single
tower non-directional antenna. Operating hours are from
6:00AM to sunset.

Thanks for your report.

Sincerely,

Robert A. Stutesman
