Dear Sir,

Please accept this letter as your confirmation for receiving KCLD--AM in St. Cloud Minnesota. KCLD-AM is non-directional station with 1000 watts daytime power and 250 watts night power.

I am enclosing some information you requested from KCLD. Thanks for listening the other night.

I'm sorry I can not give conformation for your report from KFAM. At the time you stated, I was not the engineer.

Sincerely,

Jack Hansen
Chief Engineer, KCLD-AM, FM Stereo
