This is the first time that I have heard KDIO Radio from Omaha. I listened to you a little while traveling through Ortonville on my way last July to Winnipeg. KDIO is my 55th Minnesota station logged and I have 49 verified. 6am is the common time for nearly all Central Time Zone stations to sign-on so that is why so much interference at this time. KRNT in Des Moines was not heard this time.

*Verified Dick Schultz
KDIO*
