

KKIN / 930 RADIO / BOX 930 / AITKIN, MINNESOTA 56431 / PHONE 218 927-2344

September 16, 1974

Ernest Wesolowski
1416 Pasadena Avenue
Omaha, Nebraska 68107

Dear Ernest,

This letter is confirm your reception of KKIN radio on Sunday, September 8, 1974 from 6:00AM to 6:01AM central daylight time on 930 Khz. KKIN operates with 1,000 watts of power with a non directional antenna, daytime only. We also operate with 500 watts pre sunrise athority. I was pleased to receive your report from Omaha, it's nice to see that your signal is being heard farther away than your local coverage area. Over the past few months we have received many reports from around the midwest stating that listeners such as yourself have heard our station. Enclosed you'll find a copy of our coverage map. Thanks again for your report, and if you hear us again be sure and write.

Sincerely yours,

A handwritten signature in blue ink that reads 'Todd Rust'.

Todd Rust - Chief Engineer.
