DATE

DATE 10-20-61

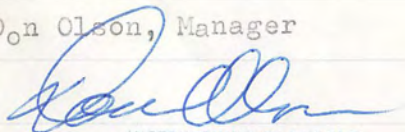

This is to confirm your reception of KTRF
1230 kcs on Wed, October 18, 1961.

We are a 250 watt independent operation in
the northwestern corner of Minnesota.
Our Gates transmitter and tower are located
at the north edge of this community of about
7500 people. The self supported tower is
179 feet high .

We enclose our coverage map.
