Dear Ernest:

Re your letter of August 28, 1974 regarding reception from 12:00 midnight to 12:03 in the morning on June 17. I am pleased to confirm the fact you were indeed hearing KWEB radio. Our station is 5,000 watts in power day, 1,000 watts in power night, directional in nature. You were receiving us on night power.

I hope this confirmation will suffice. May all your signals be static free!

Sincerely,

DENNY LUELL  
Program Director
