Dear Sir;

Your report of January 21, 1960 on our broadcast is
entirely correct.

Our studios are located downtown in the Hotel Thompson, and our transmitter is located four miles west of town on hiway 16. We use a shunt fed tower that is 330 feet high. Our transmitter is a 1000 watt Raytheon. We are on daytime hours and are non-directional.

I want to thank you for your interest, and if you have any other questions please feel free to contact me at any time.

Sincerely

Norm Robinson
