

WWTC 1280

It was great to hear from your corner of the world . . . and to know the air waves are bringing us together.

WWTC is presently formatting "WWTC Spectrum" which offers the listener news or information every twenty minutes, personalities and music tuned to the 25-49 year old.

This verifies reception of WWTC 1280 kw from

1:16 AM to 1:31 AM
on APRIL 10, 1973.

Thank you for writing. We hope you have great success and pleasure in your radio hobby.

Best regards,

Michael McKenzie
Chief Engineer
