Dear Sir;

Yes, you are a lucky person. It was quite interesting how you found out about me here in Larned. With the happenings around here during the past week, I sometime wonder if I should have stayed back in Kansas City. This flood was something else. Water got all around the transmitter but with the great help of the many workers, we did not get flooded. The downtown area was protected by sandbags and no damage at all to our studios either.

This letter will verify your reception of Radio Station KANS back in Independence, Missouri on April 5, 1961 for the sign off at 7pm. I did not know Bob Calicotte at KCCV.

Yours truly,

Radio KANS
