Dear Mr. Wesolowski:

It's a pleasure to verify your reception report of KBIL on March 13, 1967 at 7:27-7:31:45 CDT. I'm at a loss to say what happened to your first report. I could not find a record of it in my files. The announcer on the show at the time of your reception was Don Joyce. Don is a good friend to Little Herbie of K000. Sorry but we do not yet have any coverage maps. Hope you like the station, and if you are ever in this area, feel free to drop in.

Yours Truly,

Don Douglas

Station Manager
