Dear Mr. Wesolowski,

Sorry to be so late in replying to your letter dated Dec 14, 76,, however, your inquiry did not arrive until yesterday. We are pleased to know that our signal penetrated the "Cornhusker State."

I am sending you a coverage map showing our .5mv/m area. At the time you heard us, we were operating at .5 kw. Thanks for writing.

Sincerely,

Edward DeLisle  
Assistant Engineer
