Dear Sir:

This will confirm your reception of K.F.M.O. Radio on Oct 11, from 1:38-1:45 A.M. We conduct a frequency check each month, on the second tues. morning of the month. We make our check with Commercial in Kansas City. The K.F.M.O. studios and transmitter are located on old hwy 67, about 5 tenths of a mile from Flat River. K.F.M.O. is 250 Watts Unlimited time.

I wish to thank you for your interest, and hope to hear from you again in the near future.

Sincerely

GILBERT COLLINS  
C.E.

P.S. I have been through Omaha several times on the train. I was in the Navy in WW2 AND TOOK MY Recruit training at Farragut Idaho. At that time my home was in Southern Illinois.
