Dear Mr. Wesolowski:

Until I received your letter of request for a second copy of verification, I was unaware that you had not been answered. I send my apology for not replying sooner, but to the best of my knowledge a reply letter had been sent. As for the letter from Mr. Dabelstein this is the first time I had seen his request.

Checking back on my logs, I find your report reception report to be very accurate, in fact you caught my morning jock half asleep because he did the sign-on out of order. YOU ask for the date and time of these reports, and I hope I don't mess up your book keeping 'cause on June 25, 1974 kftw signed on at 4:59 a (although you say the clock is off, which it probably was) and did the sign-on to the best of my knowledge, just as you stated.

It may help you to know that KFTW now signs on at 5:59 a and that I am the Chief and P.D. although I can't type or spell like one. Thank you for your interest in DXing, and again I send my apology for the late reply.

If you ever get near Fredericktown, you had better stop, for if you don't and I find out about it, you will be in trouble. Also I am replying to Mr. Dabelstein and I hope he receives my reply.

Sincerely yours;

Jerry Dowd
