February 11, 1976

Ernest J. Wesolowski
1416 Pasadena Avenue
Omaha, Nebraska 68107

Dear Ernest:

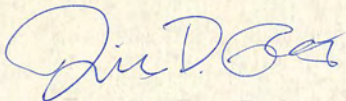

This letter is to verify your reception report of
KJAS Radio on January 16, 1976

It may interest you to know KJAS transmits on 1170 KHz
with 250 watts, non-directional, daytime power and has
been on the air for about five years.

KJAS is a Contemporary Top 40 format. We use an R.J.A.
BTA-250W transmitter, mid 60's vintage.

Hope to hear from you again,
Happy Daying
