Dear Mr. Wesolowski:

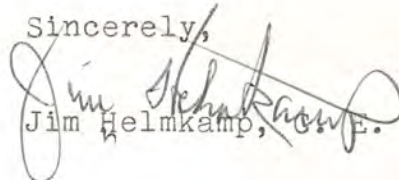

This is in reply to your DX report of reception of KRMO on the morning of Nov. 18, 1974.

I am happy to confirm the information as you have logged it as being quite accurate. Our carrier was on the air from 1:57 AM CST until 2:37 AM CST and I'm happy we were coming in to Omaha so well.

You might be interested to know that we have had reports from Alberta, Canada to Florida; and from coast to coast.

Thank you for your report, and Happy Holidays.

Sincerely,

Jim Helmkamp, C.E.
