Dear Mr. Wesolowski:

This letter is in reply to your National Radio Club inquiry on our broadcast of Thursday, November 4. The test tone you heard was our frequency check which is made on the first Thursday of each month between 5:00 and 5:15 a.m.

I am sorry that your previous inquiries have gone unanswered and hope this is the information you need.

Enclosed please find a city map, coverage map, and station rate card. Maybe you will find something of interest to you on these. We appreciate hearing from you.

Sincerely,

Jimmie McGowan
