Dear Sir:

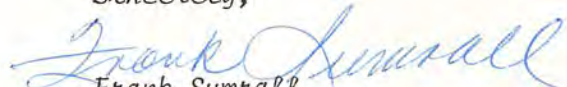

In reply to your letter requesting information about WAML's  
Frequency Measurement Check;

This is verification that our Frequency Measurement Check  
was made on July 11, 1973, at 0428 EDT and the report card from  
our Consulting Radio Engineer shows Carrier Stable.

Also, as per your request, we are enclosing a coverage map.

Trusting this is the information you desire, we are,

Sincerely,

  
Frank Sumrall  
General Manager
