Dear Sir;

Thank you for your report of reception of my frequency measurement. 12-19-72 and 2-20-73 were dates of my monthly measurements and the station ID is authentic so I am happy to verify your reception of our station. Sorry I missed your other reports as I try to answer all letters but sometimes mail gets into the wrong box here at the station.

Thanks again and good DXing. 73's.

Sincerely
Talmage Harvill
