Dear Mr. Wesolowski:

Thank you very much for your report of reception of our station, WHNY, during our special New Year's program January 1.

We were sorry that you did not pick up more of our programming, but were glad you got as much as you did! The facts you state in your letter were exactly right by our announcer on duty at that time, Leon Soles.

We ran a DX test for the National Radio Club a few months ago, and certainly got an excellent response! I hope the next special program we have on, we'll hear from you and Omaha, Nebraska again.

Once again, thank you for writing.

Sincerely,

Maureen Clark
(Mrs. Bruce Clark)
