Dear Mr. Wesolowski:

Thank you for letting us know that you heard WJQS in Omaha on the night of February 21, 1974.

The information you sent us regarding the items you heard on our station are correct so far as we can ascertain, as we do not show on our log which songs we play. We do play country and western music, however, and we did carry CBS network news at 8:00 P.M. We also make frequent use of our WJQS jingles.

If you hear our station again, please let us know.

Sincerely,

G. Lee Hodges
Manager
