Dear Ernest:

Thank you for your letter reporting reception of WJXN, this must surely be a record for you, as you know how crowded our 1450 frequency is. The newscast you mentioned was a local state radio network which is carried on some 25 stations around Mississippi, we are also a Mutual network affiliate.
1000 watts day, 250 night.

Again, thanks for the report of reception on February 21, 1974 8:20 to 8:31pm

Regards,
