Dear Mr. Wesolowski:

Received your letter today and appreciate you listening to our test broadcast and report sent us. Test held November 12, 1962.

Received letters and cards from all over the country stating our signal was good and clear.

We will start broadcasting some time next week. We are non-directional daytime. We do not have coverage maps printed yet but will file letter and send to you at later date.

Will hold another test broadcast November 21, 1962 starting at 12:05 A.M. CST. Be glad to have you tuned in.

Thank you,

Bill Bridges
