Dear Mr. Wesolowski,

We appreciate your interest in our radio station. Here's the story—KDRG was repossessed from Lee Leiss by the bank and Howard Nichols was appointed manager by the court, as far as stationery, the bank runs us on a tight budget. We are sorry, but we have no coverage maps. At least we did, but cannot locate them.

We operate on an assigned carrier frequency of 1,000 watts day time and 250 watts night time.

We received your letter on July 25th. Surprised to hear we reach as far as Nebraska, but at night, you'd be surprised what you can pick up.

A few years ago, I personally picked up a Massachusetts station on a plain old AM radio!

P.S. We are on the air from 6:00 AM to 10:00 P.M. MST

On behalf of the staff and management at KDRG,
Joan Heidout, Sec.
