Dear Earnest,

Thank you very much for your report dated nov. 4 on our broadcast. we were running a test for three nights and will be back in about 2 weeks with a regular program for night listners. our disc jockey cards are still in the press and as soon as the same are finished we sure will send you one.

Sure hope you will be a regular listner when we get back on the air. also tell your friends about our good country and western music.

We run here 1,000 watts on a new type transmitter designed by Gates Radio,,it will produce 150% modulation with no destoration on high or low freqs. this rig will push a 50,000 rig.

sure hope to hear from you again soon, and if you are ever in our neck of the woods be sure to stop by for a visit.

Your Country Friends,
