Mr. Ernest J. Wessolowsky,  
Omaha, Nebraska,  
U S A.

Feb 4 64.

Dear Mr. Wessolowsky:

I have received your reception report. This is our QSL. Thanks for your interest in our operation.

The two reception reports from Omaha, came from two boys:

JOHN MARSHALL,  
5119 CHICAGO ST  
ZIP: 68132

NEELY KOUNTZE,  
5225 CASS ST,  
OMAHA 32,  
NO ZIP although

I think is same as Marshall's, since they live 2 blocks apart.

Our power 150 Kw. Xmitter, home made in Doherty circuitry. Antenna Tower 720 ft high. Omnidirectional. Sorry have not map. But we have reports. all USA, Canada, New Zealand.
