Dear Sir

Thank you very much for your reception report on WKIX.  
You may consider this letter a verification of your reception  
of WKIX from 5:03 AM to 5:15 AM EST on November 22, 1962.

I am enclosing our latest record survey sheet. I am sorry  
that I have no up-to-date coverage maps at the present time.

To answer your questions, our studio is located 5 miles west  
of Raleigh on highway #54. We have four towers, one 420' and  
three 300', self supporting, in an East-West line.

Thanks for your report again, and I hope to hear from you soon.

Yours truly
