Dear Sir:

This letter is to serve as verification of your reception report of KKXL May 5, 1975. I hope it will suffice. As per your questions, we are 24 hours a day except Tuesday night/Wednesday morning when we sign off from 2AM-6AM for routine maintenance.

Just for your information, KKXL took over KIL0 on July 23, 1973...we added a 160,000 watt stereo FM (92.9 Mhz) March 11 of this year.

Enclosed you will find our latest survey plus a coverage map of the Ingstad broadcasting stations.

Sincerely yours,

A handwritten signature in black ink that reads "Paul Sandbek".
