Omaha 7, Nebraska

Dear Mr. Wesolowski,

Your report of our signal, Monday, September 24, 1962, is confirmed from our program log of that date and the times mentioned in your letter.

Enclosed is a Coverage Map and our transmitter is located two and one half miles southeast of Minot. North Latitude is 48 degrees, 12 minutes and 45 seconds. West Longitude is 101 degrees, 14 minutes and 30 seconds.

Thank you for this report.

Cordially,

Sheila S. Wald
Secretary
