CONFIRMATION OF RECEPTION

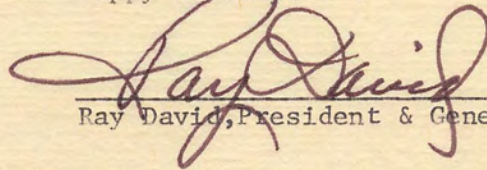

I am pleased to confirm your reception of KLTC Radio,
1460 Khz, Dickinson, North Dakota.

On Monday December 11, 1978 by Ernest J. Wesolowski
in Omaha, Nebraska.

Come spring we should be approved for our full-time
signal, seems our original signal would have created a
problem in Medicine Hat, Alberta, Canada.

Thanks for writing, we're going like GANG BUSTERS!

Happy Holidays!!!!

Ray David, President & General Manager
