Dear Sir:

Thank you for reporting the reception of WDAY on September 12, 1960, from 11:56PM to 12:06 AM CST.

We have three towers, 265ft. high and operate with a directional patteredan after sunset. Our transmitter is located about four miles west of Fargo. The towers are self supporting.

Below, is a rough sketch of our directional patteredan:

Yours truly,
S. J. Savold
