Dear Ernest,

This is to confirm your letter of July 29, 1968 on the reception of our station on Sunday evening July 28th.

Very happy to hear from you again. In answer to your letter regarding the Frequency Measurement Checks...we still don't know for sure. They continue to switch from third to fourth Saturday mornings, some at 1:10 AM Central Daylight time, some coming at 1:20 AM. Sorry I can't be of more help in this.

Keep trying, maybe I'll be hearing from you again.

Yours truly,

Larry Rice, Manager
