Dear Ernest

This is to verify the correctness of your reception of KCNI as stated in your letter dated June 18, 1960.

The transmitter and studios both are located approximately 1.6 miles west of Broken Bow. It's at the Junction of Hiway #2 and the Callaway road. Our tower is series fed, 150 feet high and guyed.

Enclosed is a coverage map.

Thank you for your Reception Report No. 60-83.

Sincerely

Harold Hromas
