Dear Sir:

Enclosed is a letter confirming your reception of K F G T back in 1958. You may be aware, but if not, you would probably be interested to note that the Polka Program mentioned in your letter was the forerunner of the "Moostash Joe Polka Show" which is on the air every Sunday from 12:10 to 4:00 P.M. H. C. Snyder said chances are - "he was on duty as Engineer during the time you were listening sixteen years ago."

Mr. Snyder is looking for some old Rate Cards and possibly Coverage Maps for you from his files. When he has an opportunity, some photo copies will be made and sent to you - provided they can be found.

I enjoyed reading your letter because I spent many long Sunday afternoons at K F G T with my Father, who was also an Engineer at the time. You might say I grew up with that Polka Show. I have been running the Board and spinning the records for Joe Spellerberg (Moostash Joe to his listeners) for five years now.

Good luck in your dxing and glad to try to help you out on your unusual request for verification.
