Mr. Ernest J. Wesolowski
1416 Pasadena Avenue
Omaha 7, Nebraska

Dear Mr. Wesolowski:

This is in answer to your report
of reception of Radio Station KICS on
April 21.

This will advise that we do not
at this time have our coverage maps ordered,
so I cannot answer your questions in regard
to our coverage. We do have a $\frac{1}{4}$ wave antenna.

Thank you for your interest in Radio
Station KICS.

Sincerely yours,

Richard C. Luth
Chief Engineer
Radio Station KICS
Hastings, Nebraska
