Dear Mr. Wesolowski:

Received your DX letter June 28, 1968. We are very sorry that we didn't varify your first one. We either misplaced it or lost it.

Your letter checks with our log of May 21. There is one correction to make and it doesn't matter, and that is where you have Zales Jewelry, it should be Dale's. Other than that it checks.

In case you are intested, KTCH has been on the air since March 18 of this year. We are a 500 Watt station. Our tower is 136 feet and non-directional.

You have an invitation to visit our station when ever you are in the area. We are located two miles west of Wayne on Highway 35.

Very Truly Yours
