Dear Mr. Wesolowski,

This is to verify that you monitored KLEA at 4:43PM from 4:45PM, Mountain Standard Time on 630 KHz on December 17, 1974, as per your reception report # 74-185. Enclosed as per your request are two coverage maps. I would have answered you sooner, but my duties have been rather time consuming lately. Thank You for your interest.

Sincerely,

Timothy M. Stan
