**GREETINGS FROM NEW MEXICO
LAND OF ENCHANTMENT**

New Mexico, the second youngest state, is located in the plateau region of the United States, at the southern end of the Rocky Mountains. Rich in Indian history, today the Pueblo Indians live in about 20 pueblos, scattered from Taos to Isleta, and on the high mesas to the west. Their ceremonial dances, which visitors are permitted to watch, are among the strangest relics of pagan worship on this continent.

This is to verify your reception of K N F T Radio on October 26, 1974 from 6:32 to 6:43pm MDT. K N F T Radio operates with 1000 watts serving Bayard and Silver City.
