Dear Mr. Wesolowski,

Radio station KRdd is under new management, and we make it a point to reply to all persons taking their time to write us.

Our station is a daytimer, from sunrise to sunset.

Your logging is correct except for a couple of things. Our owner's name is Reggie Espinoza and the words "in the Republic of Mexico".

Enclosed please find our rate card and on the card is a coverage map.

Thank you for taking your time to write us.

By the way we are a non-directional station.

Sincerely,

Joe S. Alvarez,
Station Mgr.
